Strengthening national mobilisation against AUKUS, nuclear submarines and US military in Australia

Australian Anti-AUKUS Coalition

1. Establish liaison group with representatives from local anti-AUKUS community groups within AAAC to co-ordinate and communicate. Sharing information, national co-ordination and mutual support network.

2. National days of actions against AUKUS – to unify, mobilise and build solidarity.

Proposal for next National Day of Action against AUKUS - Sunday, 20 September – International Day for Peace.

3. AAAC regularly promote local/ state/regional activities and developments.

4. Update and share resources and information on AFP AUKUS Command activities, and broader attacks on the rights to protest.

Compile and disseminate information on anti-protest laws used against protests opposing the US military/bases, nuclear submarines and US military presence in Australia. Promote and contribute to communities' Fighting Funds in defence of democratic rights.

Strengthening national mobilisation against AUKUS, nuclear submarines and US military in Australia

Australian Anti-AUKUS Coalition

5. Work with civil liberties and democratic rights groups.
6. Get involved in the campaign, join your local Anti-AUKUS group, anti-nuclear or peace group. If there are no local groups contact AAAC or IPAN to help you set up a group in your community.

Contact Australian Anti-AUKUS Coalition and/or IPAN.

Thank you for generous donations which will be used to strengthen the national support for local community anti-AUKUS groups, and promote the national campaign to scrap AUKUS and end the US alliance.
